CRICKET PROGRAMME OVERVIEW:

The Elite development tour will take place in Dubai at our academy, offering the same high-quality coaching and top-class facilities you've come to expect.

Our Elite development cricket programme is a meticulously crafted initiative aimed at nurturing aspiring cricketers to progress. With a structured approach, we ensure players are equipped with both technical skills and mental toughness.

- Age Groups – Under 14's & Under 18's (both groups to train separately).
 - Our experienced & dedicated coaches will ensure individual attention & guidance to players.
 - Fitness including strength & conditioning.
 - Every session includes a review with the coach to analyse strengths, address challenges, and create actionable improvement plans.
 - 6 Hours of quality Cricket a day with ample rest in-between.
 - Local elite cricketers will join sessions, providing a highly competitive environment and helping players elevate their game by making it challenging.
 - Specific work on batting, bowling, & fielding.
 - Opportunity to bat & bowl for long periods enhancing endurance & sharpening technical skills.
 - Competitive matches & match simulation.
 - Special learning experience.
